

## School Nutrition Association \$500 Scholarship

### Guidelines

Our mission is to provide a graduating individual with access to advance them selves by furthering their education in some aspect of the field of nutrition. This individual can be pursuing a four year degree or wish to go to a trade school for culinary training. As long as the individual is furthering their education in the nutrition field that is all that is required.

### Criteria

1. Be a 2013 graduating Senior
2. Have a GPA of at least a 2 point
3. A simple essay stating why you would like the scholarship
4. Proof of registration to school of choice
5. Check will be made payable to the school and the student

Please send your application and cover page to:
